

Bibliography of Appraisal, Stance and Evaluation (December 2019)

Until early 2017 this bibliography was maintained by Monika Bednarek (The University of Sydney, Australia); it is now maintained by Hang Su (Sichuan International Studies University, China), who also undertook the update from 2013 to 2015. Prior to this, Robson Ramos (State University of Ceará, Brazil) helped with formatting part of this bibliography.

This bibliography is only updated once a year and relies on authors emailing publications to Hang Su (suhanguunique@hotmail.com) when the call is sent out via the Appraisal emailing list. No omissions are intentional. Additionally, this bibliography includes published or forthcoming/in press material only, with the exception of PhD theses.

Please note that the bibliography is formatted according to the unified sheet for linguistics: <http://linguistlist.org/pubs/tocs/JournalUnifiedStyleSheet2007.pdf>.
